November 10th -December 22nd, 2011

## Call for Art

**The Salem Arts Association will be open on Artists' Row  
from November 10th until December 22nd as part of the Winter Market.**

The Winter Market is a project being put together by the Salem Main Streets program and the City of Salem as an extension of their highly successful Farmers Market. The new market will be held in the Artists' Row Buildings and will run from 2-6 p.m. on Thursdays, November 10, 17, Tuesday, November 22 (there will be no market on Thanksgiving), December 1, 8, 15 and 22. It will feature some of the summer vendors as well as many new ones offering fresh and organic foods that use locally grown ingredients, baked goods, crafts, festive holiday items and much more. For more information: <http://salemmainstreets.org/>

**Members of SAA are welcome to submit work for the entire 7 weeks.**

All work must be labeled with the artists initials and numbers beginning with 400, ie., "JLB-401, JLB-402... Work must be in the shop in time for the opening on November 10th and remain through December 22nd. Additional work can be added as the holidays get closer. ( Think Christmas Shopping!) Only one check will be cut for all work sold over the course of the entire 7 weeks.

If you have always wanted to set up at the Farmers Market and sell your art, this is your chance! In addition, all members participating in the Winter Market will have the option to choose any day we are open to set up a table, sell work, and keep all but a \$20 donation to cover table, heat and electric. (Contact Jeff Bowie to sign up for a space. You may sign up for more than one week. Space will be limited to 3 tables on each of the days we are open).

All SAA members are welcome to bring work. If you had your work on the Row this summer you WILL have to collect it after 10/31, **pick up will be 4-7 pm on 11/3 and 11 am-1 pm on 11/5.** There will be construction and painting occurring in the week between and for the safety of the artwork and in the interest of getting the work done quickly, we need the space EMPTY.
